# THE MONTANA KAIMIN

VOLUME XXIV

STATE UNIVERSITY OF MONTANA, TUESDAY, OCTOBER 7, 1924

NUMBER 4

## MASQUER PLANS FOR THIS YEAR GIVEN BY COACH

### TO PRODUCE THREE BIG PLAYS AND OTHERS

Tryouts for "Fashion," First Play, Being Held in Main Hall Every Night; Inexperienced Are Excluded.

The Montana Masquers under the direction of Professor George W. Cronyn will present "Fashion," by Anna Cora Mowatt, sometime in November. The play is a contemporary fashion play of America in 1845. It will be the first time that it is produced in the west and probably will be the first time that it has been produced outside of New York.

Tryouts of upperclassmen will be held every night this week at 8 o'clock, from which the cast for the production will be selected. Mr. Cronyn urges all who have had any dramatic experience to be at the tryouts. He also requests the members of the producing staff to attend the meetings. No one who has not had any previous experience will take part in the production.

At the present time plans of the Masquers include a series of one-act plays in which the freshmen will take part. Mr. Cronyn stated that this year no freshmen would take part in the major productions. He stated that there was plenty of good material in the three upper classes from which the cast of the three major productions would be selected. It is the aim of the department to place the selection for parts on a competitive basis such as is followed in practically all of the eastern colleges.

### Three Major Plays

Present plans of the Masquers include three major productions, "Fashion," which will be produced this quarter, another play to be presented February 6 and 7, and a third one to be presented April 3 and 4. Several one-act plays will be produced also. Helen Carman has been selected by Mr. Cronyn as assistant director. She has had a great deal of experience and last year was one of the most zealous workers on the producing staff of the Masquers. Phil Ring, who was stage manager last year, has been appointed business manager and will be the executive in charge of the business. This year the work of the former business manager has been divided and a business secretary, Earl Marble, will handle the accounting and the secretarial work of the organization.

The Masquers have obtained a storeroom in Simpkins hall where they will keep all of the stage equipment and properties. The auditorium stage in Main hall will be redecorated in a short time and new equipment will be added. The storeroom in the rear of the stage will be used for the storage of properties and costumes used in immediate production.

### Season Tickets

In order to get sufficient funds to pay off the indebtedness incurred last year and to get working capital to carry on the proposed productions during the coming year the Masquers are planning a drive to sell season tickets at reduced rates to townspeople and students. By purchasing these tickets the buyer will make a saving of from \$1.50 down, according to the price of the ticket. The price of the tickets will range from two to three dollars and with one of these tickets the subscriber will have a choice of the seats for the productions.

## SOUTH HALL MEN TO ORGANIZE SOON

South hall will hold its first house meeting some time next week for the purpose of organizing the men's dormitory club and election of officers. Officers to be filled are president, a vice-president, representing each wing of the building, secretary, and treasurer.

The quarterly ball date has been set for November 29. In the meantime informal dances and firesides will furnish social entertainment for the residents. It is also planned to exchange dinner guests with Craig and North halls for the purpose of promoting a closer relationship among the freshmen.

### NOTICE

The absence committee will meet in Dean Jesse's office every Monday afternoon from 4:30 to 5:15.

## First S. O. S. of Year Will Be Held Friday

S.O.S., the first of the year, will be held Friday evening at 7:30, instead of the traditional Thursday night before a contest, according to Gid Bolt, ASUM president.

This deviation from tradition is for the benefit of old grads and former students, who will be back on the campus for Homecoming, Friday and Saturday, October 10 and 11.

Organizations on the campus will be asked to practice Montana songs and yells that the former students may be given a real demonstration Friday night.

## TANANS ELECT NEW OFFICERS

### Annabelle Desmond Chosen to Lead Sophomore Girls' Organization This Year

At a meeting of the Tanans last night in North hall, Annabelle Desmond was elected president; Eleanor Stephenson, secretary, and Helen Chaffin, treasurer.

Tanans is a group of sophomore girls organized for the purpose of enforcing the traditions of the University. The following are the newly elected Tanans: Bella Anderson, Lucile Rector, Annabelle Desmond, Gertrude Walsh, Esther Davis, Thelma Whipple, Florence Huffman, Helen Chaffin, Elvira Madsen, Eleanor Stephenson, Betty Peterson, Dorothy Morrow, Ruth Fryer, Mary Kimball, and Mary Spence.

## OXFORD DEBATE IS SCHEDULED

### English Team Will Meet University Team December 10

The Oxford forensics team will debate the University team in Missoula, December 10, according to a statement made by Lee Roy Norvell, who will have charge of work this year. The question is: Resolved, that the referendum is a necessary part of representative government. Montana will support the affirmative while Oxford will take the negative.

Members of the Oxford team are all graduate students from the colleges of Oxford which they represent and are being extended credit for their participation in forensics work. They are M. J. MacDonald, of Queen's College, the son of Ramsay MacDonald, prime minister of England; J. D. Woodruff, New College, and M. C. Hollis, Balliol College.

The Oxford team is making a tour of the United States and its plan is to debate 30 institutions from the Atlantic to the Pacific coast. This will be the first time that the English university has sent a team west of the Atlantic states and its schedule in this country is evidence of the renewed interest in forensics work.

"I would like to urge that every student interested in debate see me immediately," said Mr. Norvell Friday. "Tryouts on the same question as will be used in the final debate will be held soon, but I should like to talk with anyone who wishes details at any time. The forensics reputation of the University is at stake, and no student should fail to avail himself of this exceptional opportunity."

Plans are being made for the annual state debating trip with Montana State College during the winter quarter. On this trip five or more debates will be given in various parts of the state. Although the debate schedule is yet in tentative form an enlargement of the schedule is assured for this year. A number of institutions have requested debates with Montana, but no definite decisions have been made regarding dates or places. Mr. Norvell, who came here from the University of Iowa, requests that all students interested see him in Room 110 of the library. Notification of the dates for tryouts for the Oxford debate will be posted later.

### NOTICE

There will be a meeting of the senior class tomorrow afternoon at 4 o'clock in Main hall auditorium to elect officers for the coming year. Everybody be there.

FRED MARTIN, President.

ATTENTION BEAR PAWS! IMPORTANT meeting tonight in Main hall for all new members. Time 7:30. Be there!

E. E. REYNOLDS, Chief Grizzly.

## D. A. V.'S TO MEET AT MASONIC TEMPLE

A general mixer and smoker will feature the first meeting of the University chapter of the Disabled American Veterans of the World War Thursday night at the Masonic temple. Officers for the coming year will be elected and many matters of vital interest to all disabled men will be discussed.

"The provisions of the Reed-Johnson bill have extended hospitalization, compensation, and training rights to a greater number of men who were excluded by previous acts. It is our duty to contact these men," said Commander Callaghan last evening. "The decentralization program as outlined by the Bureau will make it necessary for us to place a liaison officer in each of the 61 regional offices. This year should be the best in our history. For the first time we are starting with money in the treasury and most of the trainees have received a benefit from the organization during the summer months."

Plans will be formulated for a successful Forget-Me-Not drive here November 8, and a step will be taken to organize a dugout of Trench Rats, the playground organization of the Veterans.

All trainees or other students who have service disabilities are invited to attend this meeting.

The present officers of the chapter are: Eugene Callaghan, commander; Grover Johnson, vice-commander; Stanley Lukens, vice-commander; John A. Rees, adjutant; Willard Centerville, master-at-arms.

## LETTER MEN BACK FOR VARSITY NINE; PROSPECTS GOOD

Under the leadership of Captain Buck Stowe, the Grizzlies should put a formidable baseball team on the field in the spring. The following lettermen will be in the lineup: Hanson, Meagher, Guthrie, Tarbox, Anderson, Berg, Ilman, Centerwall and O'Conner. Driscoll, last year's captain, and Long will not be back. Kelly, Coyle, Reeder, Fellhaber and Lowe, who showed promise with the fresh last spring, should find positions with the team.

## STUDENT IS RECOVERING FROM SERIOUS OPERATION

Jessie Taylor '25, of Cascade, who was operated on for appendicitis last week at St. Patrick's hospital, is recovering, according to word given out by hospital authorities yesterday. If her rapid improvement continues Miss Taylor will leave the hospital in a week or two.

## SOPHOMORES ELECT DIMOND PRESIDENT

Jack Dimond was elected president of the sophomore class at its first meeting in Main hall last Friday afternoon. About 100 sophomores attended the meeting. Plans were discussed for the coming year, but all business was left until the next meeting. Other officers elected are: Ann Stephenson, vice-president; Bert Smith, treasurer; Mary Spence, secretary, and Bob Warden, Central board representative.

## WELL-KNOWN ARTISTS WILL VISIT MISSOULA

### Artist's Course Will Include Four of the World's Best Musicians

University students and the people of Missoula will have the opportunity to hear four of the best known artists in the music world of today in the Artists' course this winter, according to Professor A. H. Weisberg, in charge of the program.

Cecilia Hansen, violinist, will be the first to appear at the Liberty theater, giving a concert November 29. Maria Ivogun, soprano, will appear January 19; Carl Flesch, violinist, February 2; and Ernest von Dohnanyi, pianist, March 2. Tickets for the entire season are \$6 for the best seats in the house. All but 25 tickets have been sold, 450 having been subscribed for before July.

The committee in charge of the concert course spent at least a month in investigation of the various artists, and the four chosen to appear could not be excelled. Since engaging these people additional reports as to their talent and ability have been received, and these all convince the original judgment.

## SIGMA DELTA CHI WILL GIVE DANCE

A University dance will be given by Sigma Delta Chi, national journalism fraternity, Friday, October 17 at the Winter Garden, if full arrangements can be made. Tentative plans for the dance were made at a meeting Sunday afternoon at Dean Stone's home.

The national convention of the fraternity, which will be held at Bloomington, Indiana, November 17, 18 and 19, was discussed at the meeting and plans made to send a delegate. The next meeting of the fraternity will be held Sunday afternoon, at which time full arrangements for the dance will be made and the yearly program of the fraternity discussed.

## GRIZZLIES WALLOP SAINTS IN OPENING GAME OF YEAR

### Helena Team Leads Till Late in Third Period; Score 40-7

Coming back in the second half after playing listless football, marred by fumbling and mistakes of judgment, the Grizzlies eleven scored a 40-7 triumph over Mount St. Charles at Dornblaser field Saturday. The Saints led 7-0 at the end of the first half and for a time it seemed as if the Grizzlies barely would be able to win, but they came back with a vengeance, scoring six touchdowns in the third and fourth quarters and doing the majority of the scoring in the last 20 minutes of play.

### Summary Tells Story

The fact that Coach Clark's eleven made 250 yards from scrimmage to the Saints' 119, and 15 first downs to the Saints' 2, tells the superiority of Coach Clark's men over the Helena crew, despite the poor showing of the Grizzlies in the first half.

The Grizzlies kept the ball in the Saints' territory throughout most of the first half, but fumbling and errors of judgment cost them their chance to score. Mitchell, the Saints' all-state halfback, made the first touchdown of the game in the second quarter, when he broke through the Grizzly defense, side-stepped and ducked through the secondary defense, racing 50 yards for the touchdown. Risteen kicked the goal.

### Fourth Quarter Brilliant

The second half was a different story, although the Grizzlies did not get going until the fourth quarter. The Varsity made several long marches down the field in the third quarter, but could not score until the closing minutes of the period because of bad fumbling. Shortly before the quarter ended the Varsity made a 50-yard drive down the field with Sugrue carrying the ball most of the time until it reached the Saint two-yard line, from where Silvernale shoved it over and Sweet kicked the goal.

If the team goes next Saturday against the Idaho Vandals as it did in the fourth quarter of the game against the Saints, Coach Bob Mathews will have plenty to worry about; otherwise the result will not be so good. In this quarter the Grizzly showed over five touchdowns, combining a driving attack, with a dangerous forward passing game, mixed with plenty of speed and power. Kelly's return to the game in the fourth quarter, after his injured knee had forced his retirement in the second period, made all the difference in the world. Bill passed with his old-time accuracy, returned punts for long gains, and made two of the touchdowns. Sugrue, Captain Silvernale, Sweet, Cammie Meagher and Oscar Dahlberg, showed an improved brand of football in this period. Risteen and Kinker starred for the Saints.

Kelly had returned to the game at the start of the fourth quarter with the score knotted and the ball on the St. Charles 12-yard line. He carried the ball around right end for a touchdown, easily outdistancing St. Charles tackles with a burst of speed. Sweet missed the goal. The second touchdown came as the result of a 40-yard forward pass, Kelly to Sweet, who raced 18 yards for the touchdown. He then kicked the goal. The next touchdown came almost immediately. Montana kicked off, and Risteen was forced to punt, and Kelly returned his punt 60 yards through the entire St. Charles team for another touchdown. Sweet converted the kick for goal. A 25-yard pass, Kelly to Meagher on a sleeper play, netted the Grizzlies another touchdown. Sweet kicked goal. The last touchdown came after the Varsity had carried the ball to the Saint two-yard line on a series of hard line backs and passes. Sweet carried it over for the touchdown.

### Vandals Next Saturday

The Grizzlies and Vandals clash

## "M" WHITEWASHING SET FOR THURSDAY

The "M" will be painted Thursday afternoon, October 9, according to Kenneth Niles, temporary president of the freshman class.

Niles stated that fifty freshmen will paint the "M" while fifty more men will carry water and lime to the painters. The job will take three or four hours of steady work.

Once during the fall and again in the spring the "M" on Mount Sentinel is whitewashed by the men of the freshman class. The girls prepare a meal at the foot of the mountain following the painting of the letter.

## Yell King Election to Be Held Tomorrow

A special ASUM election will be held tomorrow for the purpose of electing a yell king. To date the names of Charles Keim, Missoula, and Walter Nelson, Anaconda, have been filed. Both men are sophomores.

There will be a Central board meeting this afternoon at 4 o'clock to pass on the eligibility of the candidates. All petitions must be in by 4 o'clock to be considered.

The yell king will begin his duties by having charge of the Homecoming S.O.S. Friday evening and will lead the yells at the Grizzly-Vandal game.

## CROSS COUNTRY MEN INCREASE WORKOUTS

Taking advantage of the warm weather of yesterday the cross country team candidates went through a stiffer workout than usual. Some of the team candidates increased their workouts to three and five mile grinds. The team is preparing for the prize cross country event to be held November 1 immediately before the Montana-Gonzaga football game. The following men are out: Simpson, Gillette, Lowary, Hanson, Dunn, Davis and Coulter.

But few men have enrolled in the boxing and wrestling classes in regular physical education. About 20 glove wielders are working out under Instructors Wallace (Red) Brennan and Bernard Barde. Midge Griffith, wrestling instructor, has a half dozen men in his class, but expects an increase later in the quarter.

## RATES OFFERED TO HOMECOMERS

### Northern Pacific Includes Rates From Moscow to Missoula

That the Vandal-Grizzly gridiron clash scheduled for next Saturday is causing a stir in the Vandals' home territory is evidenced by the fact that the Northern Pacific has granted reduced rate of a fare and one-third for the round trip from Moscow to Missoula, providing that 50 Idaho boosters sign up to come, according to Helen Newman, secretary to President Clapp.

For the benefit of Montana Homecomingers a reduced rate of a fare and one-half for the round trip from all points in Montana has been granted providing that there are not less than 150 who will take advantage of it. Those who attend Homecoming are advised to get a certificate from the ticket agent at the time of purchasing a one-way fare to Missoula. The certificates must then be presented to Edwin Bailey October 10 and 11 for validating. At that time if the required number has taken advantage of the fare the return fare will be given for one-half its usual amount upon the presentation of the certificate to the ticket agent at Missoula.

The going dates of the fare and one-half rate are October 7 to 11 and the final date that the return fare will be granted is October 15. Edwin Bailey will be in the business office and will sign all tickets presented by the alumni from 9 o'clock Friday morning until 5 o'clock in the afternoon and from 8 o'clock to 12 o'clock Saturday morning and 1 o'clock until 2:30 o'clock that afternoon.

## BASKETBALL HOPES FOR YEAR ARE GOOD

Prospects for a successful basketball season are very favorable at Montana. Jiggs Dahlberg (captain), Oscar Dahlberg, Baney, Ilman and Berg, lettermen of last year, will be out for positions on the team. Sweet, Kelly, Graham, Elliot, Lowe, Coyle, E. Smith, M. Smith and Larson of last year's freshman squad will also be out. Badgely, a three-year man, will not be eligible, and it is probable that Sterling and Carney, also lettermen of last year, will not be back.

## Homecoming Tags Bring Good Sum

The Homecoming Tag sale has netted \$425 so far according to the Tanans and Bear Paws, sophomore honor societies, who have charge of the sale. The Tanans sold about \$125 worth and the Bear Paws sold \$250 worth in the week's campaign. The money will be used by the Homecoming committee in the reception of Montana's alumni who will be guests here this week.

## ALUMNI TO HOLD MEETING TONIGHT

### Meeting Called to Elect President and Plan for Homecoming

An executive meeting of the Alumni association will be held tonight at 8 o'clock, in room 111 of the Forestry building, for the purpose of electing a president and working on Homecoming plans.

The association has sent mimeograph programs and directions for obtaining one and one-half round trip fares to all alumni and former students. All Homecomers will be met upon their arrival by Bear Paws or Tanans, who will be at their service during their stay here.

Because replies have not been received from all alumni as to whether or not they will attend Homecoming, it is impossible to give a complete list of those who will be present. However, the names of some of those who will be here follow: Rita Jahreis '24, of Butte; Helen Carson '25, of Townsend; Delores Chidester, of Butte; O. K. Moe '24, of Flaxville; Ralph Rogers ex '24, of Ronan; Forrest Foor '24, of Helena; Walter Popham '23, of Glendive; Leonard Daems, ex-football captain in 1916, of Harlowton; Robert Fredericks, of Helena; Ray Nagle '23, of Helena; Arthur Driscoll '23, of Butte; James Murphy '22, of Butte; Charles Gleason '24, of Butte; Russell Marsh, of Deer Lodge; Terry Spaulding ex '25, of Deer Lodge; Pete Miller ex '26, of Kalispell; Custer Keim '24, of Missoula; Wilfred Carney ex '25, of Billings; John Kline '24, of Polson; Chester Dixon ex '25, of Anaconda; Duncan McDowell ex '24, of Seattle; Harry Houle ex '24, of Spokane; Cy Young ex '23, of Florence; Clarice Martin ex '26, of Kalispell; Lila McKenzie '24, of Miles City; Mary Alice McKittick '24, of Ronan; Kathleen Ewart ex '25, of Chester; Floyd Reichling ex '26, of Wolf Creek; Wilbur Vaughn ex '26, of Bozeman; E. J. Cummings, of Deer Lodge; Bryce Toole, of Butte; Pat Keeley, of Deer Lodge; Hazel Rabe, of Bozeman; Portland Howard, of Livingston; Tom Busha, of Helena; Pat Kelly, of Livingston; Dan O'Neil '24, of Havre; George Howard '23, of Butte; Hugh McManus ex '22, of Butte; William Breitenstein '15, of Great Falls; Earl Dirmeyer '21, of Superior; Percy Senecker ex '23, of Mooridge, South Dakota; Frank Finch ex '23, of Portland; Holmes McClay '12, of Florence; LaRue Smith, of Great Falls; Ben Lapeyre, of Great Falls; Guy Mooney '22, of Great Falls; Lillian Bell ex '27, of Roundup; Persis Mathews '24, of Townsend; Punk Owsley '15, of Helena; Sam Crawford '16, of Forsyth; Mack Gault '20, of Great Falls; Lambert De Mers '20, of Arlee; Gene and Ray Murphy, of Anaconda; Mike Thomas, of Anaconda; Earl Lockridge, of Stevensville, and Tom Davis of Butte.

## ASUM BOARD MEETS TODAY AT FOUR P. M.

### Will Act on Petitions for Yell King and Appointment of Sentinel Editor

A meeting of the Central board will be held this afternoon at 4 o'clock in the ASUM office. Action will be taken by the board on the petitions that have been filed for Yell King, and the board will act on the appointment of Louis Stevens as Sentinel editor. Mr. Stevens will replace Woodward Dutton as editor of the University annual, due to the latter's absence from school this quarter.

Another matter that will come up for discussion by the board is the plans for Varsity day. Varsity day is held in honor of University lettermen and will consist of various interclass contests held between the sophomores and freshmen, and conducted under the guidance of Montana lettermen.

## BELTS TO BE WORN WITH ROTC UNIFORM

A new regulation regarding the ROTC uniforms is being put into practice on the campus. Heretofore it has been proper to wear the cadet uniform without a belt. Under the new regulation it is considered a misdemeanor if a cadet appears in uniform without a belt. The web pistol belt is being substituted for the leather belt. The substitution has been made due to a shortage of leather belts.

William Mitchell of Townsend, Ph. G. '24, is working for the Hardin Drug company of Hardin.

## The Montana Kaimin

Published semi-weekly by the Associated Students of the University of Montana.

Entered as second-class matter at Missoula, Montana, under act of Congress of March 3, 1879.

### Do Your Stuff

OUR SINGING and cheering at Saturday's game was worthy of a disorganized high school group. But there is no use in bewailing that fact. The combined forces of two green, but very game, yell leaders, the extensive flurry of colds and the fact that we had no preparation for the year, are the probable causes. But this Saturday must and will be different. Our alumni are coming and we will engage in one of the most important football contests of the year when the Montana team faces the Idaho Vandals.

If there is anything at all in the proverb concerning the winning of games in the bleachers here is a chance to show it. The percentage that the backing from the bleachers made last Saturday was far below the percentage made in the gymnasium locker rooms. Are we going to let one Montana alumnus outroot us?

And we can't go out and merely yell wildly after a score has been made. Learn the yells and learn the songs. "Talk it up"—not when the Vandals or the Grizzlies are receiving signals, but in the inter-

missions and time-outs. And in case you are subjected to that curse of the race, the cold, do not forget that the two Smith Brothers not only grew long beards, but lived useful lives in an effort to save us from the racial curse. The yell leaders at Saturday's game will be more experienced and their directions should be followed.

Every night this week the various groups, sorority, fraternity and residence, should gather, if only for that brief feeling of contentedness following upon the evening meal and sing the Varsity songs. Where the neighbors are not too close or cross, practice the yells. Instruct the freshmen. A freshman with a "Flop-Cut" hat yelling and singing correctly is worth more to the hopes of our football team than one who has had a green cap beaten on his head, but doesn't know the songs and yells.

### The Artists' Course

ON another page appears the announcement of the Artists' course for the coming season. We wish to call the attention of all students to this program, which has been arranged and selected with the utmost care and includes some of the world's famed talent in musical circles. Despite the attacks at various times made upon all American colleges that they are a combination of marriage marts and mills for turning out cut and dried babbittian products we believe that there is an honest endeavor on the part of hundreds of our students to gain for themselves a rounded knowledge and appreciation of the finer things of higher education. This Artists' course is one means of showing an appreciation of an effort to satisfy that longing, and we hope that University students will take advantage of the offer.

## ALVA REES

Chairman of Homecoming Committee

"Rees was a big brother to everyone while in school," was the remark made by Dean Stone of the School of Journalism, when speaking of Alva Rees, who is chairman of the Homecoming committee. He stated further: "Rees is one alumnus who has not forgotten the University. Since his graduation he has retained an active interest in the school and University people. He has retained this interest not only in alumni matters but in a more direct way with the University."

Mr. Rees is connected with the law firm of Mulroney and Mulroney of Missoula. He is also an instructor in the Economics department of the Business Administration school.

Rees received his B.A. in 1920 and an LL.B. in 1922. While in school he was a member of the Glee club and the band.

Alva served with the Third regular division in France. He was twice discharged a sergeant and was twice wounded in action while the division was on the Marne sector. He was elected the first commander of the University chapter of the Disabled American veterans and at the present time is adjutant of that organization.

## COURAGE

Big Task Undertaken by Two Graduates

Two graduates from the University of Idaho left Moscow, Idaho, recently on a 12,000-mile hike across the United States and around its borders. Both boys, who are 24 years old, are physically incapacitated. One is totally blind, while his companion on the venture is club footed, though able to walk without the aid of a crutch or cane.

The two graduates, with aspirations of literary careers, have set out in search of local color, one to see the country through which they pass with his eyes, and the other to feel it, breathe it, or see it through the eyes of his companion.

They left Moscow with Portland, Oregon, their immediate destination. From there they will follow the coast line to San Francisco, Los Angeles and San Diego, and then across the deserts of New Mexico and Nevada to Texas, Louisiana, Alabama, to Florida. They expect to visit Cuba, then to continue north along the Atlantic coast to Washington, D. C., Philadelphia and New York, to Niagara Falls and Canada, circle the Great Lakes, and wandering through the middle west finally to return to their starting point.

They have allowed three years' time for their trip. Starting with little money, they expect to earn their way as they go, writing their experiences. One, Carl F. Pearson, received his master's degree in English from the

University of Idaho, completing five years' work with "A" honors, the highest given at the Idaho institution. The other, Victor Addington, received his A.B. degree in history, with a minor in English, and was graduated with honors also.

It is doubtful if among the dozens of hikers each year who cross the continent, there is a more picturesque pair than this one, contenting themselves with a few miles each day, steadfastly declaring they will not accept lifts from motorists, seeking inspiration, experience, and adventure.

## BIG RADIO PROGRAM PLANNED FOR FANS

New Broadcasting Station to Be Installed to Keep State Well Informed

The Physics department, under the direction of Professor G. D. Shallenberger, has planned an extensive radio program for the coming year. A new broadcasting station is to be installed in Simpkins hall. It will be a 500-watt station with a continental range. This station will be used for experimental purposes and for broadcasting.

The new station will go on the air late this fall or in early winter. If the present plans are successful, the department will offer two evening and three afternoon programs. One of the afternoon programs will be broadcast on Sunday and will consist entirely of music.

The broadcasting programs will consist of recitals by the various musical organizations including the Glee club, orchestra, band and students in the School of Music, lectures by members of the faculty, reports of student activities such as athletic games, etc., and a series of lectures on the early history of Montana.

With such a wealth of material from which to make up their programs the department hopes that the station will prove both educational and entertaining to the people of Montana, and at the same time it affords practical experience to those students interested in radio.

## PREMIUMS RECEIVED IN ART DEPARTMENT

Premiums were received Saturday by each student of the University art department who exhibited work at the fair. These contributions included oil paintings, cartoons, pen and ink drawings, and posters. Evan Reynolds received six premiums, the largest number awarded to any one student.

The enrollment in the art department this year numbers 70 students. Professor F. D. Schwalm, head of the department, is absent in California. Mrs. Belle Bateman has charge until his return.

Watch for Billy Stiff!

## LARGE COLLECTION MADE FOR BOTANY DEPARTMENT

Dr. J. E. Kirkwood Spends Two Weeks in Bitter Root Mountains

Dr. J. E. Kirkwood, head of the Botany department, spent two weeks of last August in the continuation of the study of botany in the Bitter Root mountains, bringing back a collection of specimens for study, photographs, and notes bearing on the distribution of vegetation in these mountains.

The expedition covered 150 miles by pack-train and represents, with the work done in the summer of 1923 by Professor Kirkwood and Professor J. W. Severy, the first attempt at a systematic study of botany in these mountains since the days of the Lewis and Clark expedition.

The results of the two periods of study will appear finally in manuscript form or in a scientific journal.

Professors Kirkwood and Severy spent the two weeks in the Bitter Root mountains during the summer of last year in the region west of Hamilton and Darby. This year the trip covered the territory farther north along the north forks of the Clearwater and Lochsa rivers and the ridge of mountains along which lies the Lolo trail.

## Library May Not Be Adequate for Needs, Says U Librarian

"More students are using the library this year than in any previous year," says Miss Gertrude Buckhous, University librarian. "The library is very crowded. Students have had to be turned away for lack of space in the reading room several evenings."

Miss Buckhous believes that room will have to be provided on the lower floor for study.

"The library is one year old, but when it was completed it was thought that it would accommodate students for many years. Last Sunday afternoon over two hundred students invaded the library for study, and some had to be turned away."

### NOTICE

Anyone interested in rifle practice should see Major Smith in the ROTC building.

Willard Mayer of Huntley, ex '25, is teaching school at Sanders, Montana. He expects to return next fall.

## THE GRIST

"The mills of the gods grind slowly but they grind exceeding fine."

Student: Make me a Coca Cola.  
Soda Squire: Hokus pokus, you're a Coca Cola.

### Our Girl

She thinks the University Mixer is a cocktail shaker.

### Take High Seats, Boys

The reserved section for the Idaho game is in back of the girls' gymnasium.

Many an old girl wishes she was eligible for infantile paralysis.

"But there's no need for an alarm," said the student who had all his classes in the afternoon.

"The ROTC is wiring for matches for the men's and women's rifle teams." This is evidently a course in smoking.

Headline—"Pope Will Address Press Club Meeting."

This shows how University students stand on the Ku Klux Klan question.

"It's no use," said the girl, explaining her ruined bob to her friends: "I tried to tell the barber the way I wanted it, but he cut me short."

She (tearfully): You know I feel dreadfully responsible about losing that football game.

He: Why so?

She: I cheered once at the wrong time.

—Life.

### Ode of a Frosh

I am a freshman. I am passing through my first experience in taking notes on class lectures and I am having a hard time.

One of my classes is large; we are crowded into a room which is dark and not well ventilated. Right back of me sits a girl who has a cold and snuffles all the time; right in front of me is another girl who has a cold in her throat; one side of me is a fellow who—I think—has adenoids and who eternally tries to get rid of them by noisy inhalation; the other side is a boy who has a cigarette cough. Here is the way my notes on yesterday's lecture read:

(Legend: mff-mff—cold in head; hck-hck—cold in throat; hrk-hrk—inhaling of adenoids; huh-huh—cigarette cough.)

"It is necessary for all students mff-mff-mff in order to hck-hck-hck in this course. Unless you hrk-hrk-hrk you will only huh-huh-huh-huh and the result will be that mff-mff. If we start this work with this understanding, the quarter will show hck-hck-hck hrk-hrk-hrk huh-huh and

you will mff-mff-mff through the rest of the course."

This is really all I could hear of that lecture. I am not afraid of infantile paralysis but I am alarmed over my prospects for a passing grade in this subject.

Student: I'm going to New York over the week end to get my eyes treated.  
Prof: Send us a program.

—Penn State Froth.

"Isn't it awful the way Kenneth drinks?"

"Yes, always by himself."

—Wampus.

Interne: Did you ever have paralysis?

Patient: Yes, but I shook it off.

—Epistaxis.

### Bughouse Poetry

(Apologies to Sandburg, et al)

### Homecoming:

Grads returning, campus lively, SOS when students sing.  
Football game and open houses  
Dances, feasts and other things.

### Coming Home:

Grades a'leaving, campus quiet,  
Students to their classes turn.  
Game is finished, houses silent  
"Gee, but I'm tired."

It's the steam, not the freight that makes the cargo.  
—Dartmouth Jack o' Lantern.

She was only an electrician's daughter, but she gave me one hell of a shock.—Black and Blue Jay.

Here lies the body of George Noah Stout—  
He laughed at his girl when her teeth fell out.  
—Bowdoin Bear Skin.

Teacher: What are the three important Greek orders?  
Small Boy—Cups skuffey, roas bif sawitch, and peas coe-nut pie.  
—Carnegie Puppet.

Suggestion for College Yell  
Dribble, dribble, drool  
We got a goal,  
Team!

Little Talks on Eddycut  
(On Entering a Sorority House)  
Little need be said on this subject,  
in as much as most of the fellows  
who need this information already  
know it. However, for the benefit  
of those who never go near the palatial

homes of the lady Greeks there is this to be said: One should preserve the air of a college gent throughout the period of his call. Care should be taken to see that tie is perfectly balanced and hair is well groomed. This same care should be exercised before leaving the house, regardless of the hour, because one never knows who one might meet between the back cellar steps and the front door. As to the manner of salute upon entering the house, before which you should ring bell because if you are a stranger those with just kimono on will want to leave the room. Right now, about the best thing to say is, "Congratulations on your pledging."

This will put the girls in a good humor and conversation can start immediately on some subject light enough to have a collegiate touch. Later on in the quarter it will not be so good to congratulate them on pledging, and "How's things?" will be much in vogue as the first thing to say when you go calling.

Cut this out and save it for the first open house, and make your pledges memorize every word of it.

Miss Katherine Frieze, because of an attack of appendicitis, withdrew from school and returned to her home in Fort Shaw.

Boy! Page Mr. Finchley!

Jack-O-Lantern.

## For Young Men There is nothing like a STETSON

MOST young men today know the importance of looking fit. Good appearance counts much in the game of life. The young man who dresses with taste has a decided advantage.

But—it is surprising how little thought the average man gives to his hat. It is his crown, yet he seems to stop dressing at the neck.

Be careful in your selection of your headwear. When you buy a hat, select a Stetson. Its style is right, its quality means long wear.

## Other Campuses

Pullman, Wash., Oct. 6.—Washington State college, for the first time, is offering special aid to freshmen this year. Freshmen who were placed in class B are those who did not make high grades in high school, and who probably will not make high grades in college if permitted to go their own way. For this reason, each student in class B has been given the counsel and sympathy of a faculty member.

These freshmen rated as class B students are required to take a course in College Problems. Non-attendance at this course, even for one meeting, will be sufficient cause for the cancellation of the student's enrollment.

Appointments Made for  
Evenings Also

6.—A training table for football men was started September 25. Only about sixteen men will be fed this year because so many football men are working for their board. Hereafter the training table has been conducted at the college cafeteria, but as it conflicted with the serving of the regular meals, the Domino Tea Room will have charge of it this year. The men will be on a very strict diet, for they will get only the proper foods in the proper quantities.

Berkeley, Calif., Oct. 6.—All senior students in the College of Mining were granted leaves of absence to partake in the American Mining Congress and State Rescue contest held this week in Sacramento.

The technical sessions occupied the mornings of the week, while the afternoons and evenings were devoted to mine rescue contests, trips to various mining properties, social functions, and the revival of Auburn Gulch, an early gold camp.

Willamette University, Oct. 6.—In an address to the student body President Alden expressed the wish that this year's freshmen receive gentler treatment than hitherto at the hands of the sophomores.

In this address the president stated that nine-tenths of a college student's education is received from his fellow students outside of the class room. Manifestly then one-fourth of nine-tenths, or 22.5 per cent of a freshman's education is received from the sophomores.

President Alden also stated that some people look upon Willamette's stand against dancing and smoking as being old-fashioned, but observation has shown that students who do not smoke or dance are more efficient than those who do. However, due to the lifting of the ban on dancing by the Methodist conference, it is predicted the dancing will be permitted on the Willamette campus before the end of the school year.

Berkeley, Calif., Oct. 6.—Construction will begin on California's new crew sheds in the immediate future. Plans for the sheds call for a modern structure 50 feet wide and 300 feet long, to be erected at the foot of Twenty-third avenue on the Oakland estuary.

The site is a particularly advantageous one because of the fact that there are no passing ferries to roughen the water. A steep drop in the land provides ample depth and no dredging will be necessary.

The Pacific Diesel Engine company has granted the A.S.U.C. the right to use part of its lands. This will enable an overhanging flat to be built. It will make it possible to launch the boats parallel to the estuary, and thus comply with government regulations.

Berkeley, Calif., Oct. 6.—Preparations are being made to install a checking system in the library in the latter part of December. The students may check ordinary sized parcels for a reasonable length of time without cost. Positions as attendant will be filled by students.

University of Oregon, Oct. 3.—About 75 women have taken advantage of the horseback riding course which was established last year. Classes are being held every day and every woman taking the course rides for a two-hour period once a week. The women are given instruction in riding in formation, in drills, and in hurdling. A feature of the course will be an examination for all girls taking horseback riding. The examination which will be given in November will consist of saddling, galloping, and the like.

Two thousand five hundred and thirty-six students, eleven more than enrolled during the entire first quarter of last year, registered in the University of Colorado during the four days set aside for that purpose, according to the most complete figures. Eight hundred and ninety-three of these who registered have never before attended the University. The enrollment in the College of Arts and Sciences leads all others with 1,568 registered.

The second annual Homecoming at Willamette University will take place the week end of October 25. On Saturday of that week, the Bearcats are scheduled to meet the College of Puget Sound on the Willamette field; a general rally and big evening entertainment on the order of a county fair will take place Saturday night. More than 500 individual invitations have been sent out besides the general welcome extended to all friends of the school.

University of Colorado, Oct. 5.—Approximately \$100,000 is being spent in the renovation of Old Main building, the power plant, the medical building, and Hale scientific. This work began the first of September under the direction of the department of construction of the University, with a force of between 50 and 75 men. The buildings will be ready for occupancy at the beginning of the second term.

The work on Old Main will cost between \$25,000 and \$40,000. The plaster has been torn off the walls and the floors and stairways are being replaced with oak. A new shingle roof has been put on and the walls have been reinforced throughout. New plumbing and wiring has been installed, but the heating system is to remain the same. The Little theater is having a new sloping floor and new theater seats installed and a new

proscenium opening is under consideration.

University of Colorado, Sept. 30.—Operation of the O house has been resumed for the varsity football men. Twenty-four likely candidates are staying at the house, which is under the management of the president of A.S.U.C. The C house is to be entirely self-supporting this year, and all the work about the house, with the exception of cooking, is being done by football men.

University of Colorado, Sept. 30.—Dedication of a \$200,000 Memorial Student building during the University's semi-centennial celebration Homecoming week is the goal toward which the Student Memorial Fund committee is working. Since the appointment last January of a new director for the fund, plans have been made for four instead of two stories, at the same cost. The program set forth includes the securing of pledges during the remainder of this year, the collection of pledges which will be paid semi-annually, during 1924 and 1926, and the dedication of the completed building in the autumn of 1927.

The alumni quota has been set at \$140,000, of which nearly \$31,000 has been pledged. Of the student quota of \$50,000 more than \$27,000 has been pledged.

The memorial building is to be built in the Italian rural style. The first floor will be taken up by a dining hall seating 475 guests and a student board room. A dance hall will occupy the second floor. In the basement will be the University book store, besides the offices of the various student publications.

## FOOTBALL

Tickets to Idaho-Montana Game on Sale

Tickets for the Idaho-Montana game may be procured at the Missoula Drug company. General admission is \$1 and reserve seats are \$1.50. The entire section, 462 seats, behind the women's gymnasium has been reserved. Students who desire reserved seats may obtain them by presenting their ASUM tickets and 50 cents. Reserved seat tickets should be presented at the gate just south of the women's gym. General admission tickets, other than students' will be honored at this gate also. Students are asked to enter by the center and south entrances.

The advance sale of tickets would indicate that the Idaho game will be well attended. Butte has ordered 50 tickets while Great Falls has ordered 20. Besides these many smaller orders have been received from various parts of the state. This is the first year that officials have found it necessary to reserve seats, but in so doing it will be possible for the visiting alumni and townspeople to procure desirable seats without having to "rush the gate."

**RIFLE TEAM HOLDS INITIAL PRACTICE**  
Government Furnishes Ammunition and Equipment

Practice for both women's and men's rifle teams started Monday. "We are wiring all over the country to get matches for the teams, and we expect to have the best season we ever have had," said Major Smith today.

All students are eligible for the team and all are welcome. Personal supervision and coaching will be the big items in practice. As Uncle Sam furnishes all the ammunition and equipment the ROTC is able to allow students to practice as much as they desire.

The schedule for practice hours is as follows:  
Mondays—Men, 2-3 p. m.; women, 4-5 p. m.  
Tuesdays—Men, 1-4 p. m.; women, 9-10 a. m., 4-5 p. m.  
Wednesdays—Men, 2-3 p. m.; women, 4-5 p. m.  
Thursdays—Men, 1-4 p. m.; women, 9-10 a. m., 2-5 p. m.  
Fridays—Men, 11-12 a. m.; women, 1-2 p. m.

## LAW IS CANDIDATE FOR ADMINISTRATOR

DeWitt Law, a graduate of the University Law school, is a candidate for public administrator of Missoula county on the Democratic ticket. Mr. Law previous to his entrance into the University, saw eighteen months' service with the American expeditionary forces in France, with the 137th infantry, and while a member had the misfortune of losing an arm in the Meuse-Argonne sector. Receiving vocational training, Law entered the University with the class of '23, of which he remained a member until his graduation from the Law school, last year. Mr. Law is now a practicing attorney of the city.

## NORTH HALL HOLDS FIRESIDE

The girls of North hall were entertained Friday at a "get acquainted" fireside which was held in the west wing parlor. Varsity songs were sung to arouse spirit for the Mount St. Charles game, and there was dancing throughout the evening. Corn was popped and marshmallows roasted over the grate fire.

## NORMA SHEARER APPEARS IN "EMPTY HANDS" WITH HOLT

Is Norma Shearer, Canadian, traveling the same road to fame as her illustrious countrywoman, Mary Pickford?

It would appear so, judging from the quality of her work in recent pictures, the rapidity with which she has forged to the front and the opinion of her fellow players.

Hardly known in Hollywood a year and a half ago, she has played leading roles recently in several outstanding successes. Now she appears in support of Jack Holt in "Empty Hands," the coming to the Rialto Thursday. The story is an adaptation of the Arthur Stringer novel by Carey Wilson and will be produced by Victor Fleming.

It presents, in daring contrast, the modern social whirl of the city and the stark reality of untamed life in

the wilderness. The wilderness "shots" were filmed in northern Canada and give Miss Shearer every opportunity to display her prowess as a champion all-round athlete and former member of the Montreal A. A. A. Montreal was her birthplace and she is remembered there as one of the best known exhibition swimmers and divers in Canada.

## TWINS BORN TO SWEENEYS

Twins, a boy and a girl, were born to Mr. and Mrs. Joe Sweeney, Thursday, October 2, at St. Patrick's hospital. The boy lived but two hours.

Mr. Sweeney is a student of the Law school and has been prominent in dramatics. Mrs. Sweeney was formerly Miss Alice Menard of Bozeman. Both young people are well known in this city.

## Sailing West to India

SINCE the days of Christopher Columbus men have felt the call to "sail due west to find India." In an organization like Westinghouse, such pioneering spirits find happy haven as research engineers. Their every thought is a question—every energy bent to discover new and more effective answers to baffling problems.

Immediately Westinghouse began to build alternating current machines of high voltages, for example, the problem of insulation became acute. For thirty-five years high voltages and insulation have formed an endless chain of problems. As voltages have been increased, improved insulation has been demanded. As insulation has

been bettered, voltages have been still further increased.

One striking contribution of Westinghouse research engineers has been the perfection of an entirely new insulation material—Micarta. Possessing many of the qualities of metal, paper, fiber, mica, gum, rubber, Micarta differs in radical respect from all of these.

It serves industry indirectly as improved insulation material, and also directly because of superiorities when used for gears, propeller blades, and the like.

Only the imagination can set a limit on the field for the research engineer—or for an organization that centers around him.

## RULES STRICT FOR U CADETS

### Demerit System Went Into Effect Monday; Cadets Watch Their Step

General order No. 1 of the United States army is being incorporated in the ROTC regulations at the University, says Major G. L. Smith. Untidy cadets or untidy uniforms will not be tolerated. Only the complete uniform is to be worn. Demerits will be given to any cadet who violates this order. Low shoes are not to be worn with the uniform. Boots may be worn in drill and to class in stormy weather, providing the boots are at least 14 inches high. All cadets should wear the Grizzly shoulder patch on the left shoulder. The uniform shall be neat and pressed at all times. All advance students in military training will wear gold stripes to denote the number of years of service.

Starting Monday, cadets are required when in uniform to salute the president of the University, all army and navy officers and all cadet officers. It is not required to salute officers off the campus, but it is recommended by the military department.

Failure to comply with these rules will be punished by the demerit system. The outline of the demerit system is as follows:

Late to formation, 2; inattention, 10; dirty equipment, 5; incomplete uniform (each missing article), 5; untidy uniform, 5; unshaved, 2; unshined shoes, 2; failure to read bulletin board, 10; unexcused absence, 15 and two hours to make up.

The following is the maximum amount of demerits that a cadet may have and still receive a passing grade: Freshman (in Military Science), 100; sophomore, 75; junior, 50; senior, 25. A cadet having an A rating and earning the maximum amount of demerits would receive a B in the course and so on through the grades.

WANTED—A steamer or wardrobe trunk. Phone 320.

## Freshmen Have Easy Time With High School Eleven

Assistant Freshman Coach Tom McGowan put his squad through a stiff workout with Guy Stegner's Missoula high school team after the game between Montana and Mount St. Charles last Saturday. The freshmen had an easy time with the lighter scholastics and scored almost at will.

McGowan did not use his heavy men for fear of injuring the high school boys, who play Polson high next Saturday. The freshmen were piloted by Ted and Bill Hodges who mixed up an attack that their opponents could not solve. On defense the freshman line was a stone wall. Latimer and Sturm, Missoula backfield men, showed up to advantage.

Hard work and many scrimmages will feature the next three weeks of

practice for the Frosh in preparation for their first game October 25, with the Washington State freshmen.

Reports from the Cougar camp are that they will have an exceptionally heavy team this year, averaging well over 175 pounds. Their squad is large and they are expecting to have a long list of able substitutes to back up their first string. Nothing is known yet of the Idaho frosh who are to be the Cubs' second opponents of the year.

The most promising backfield material consists of Schultz, Smith, T. Hodges, W. Hodges, Kain, Callison, Morrow, Bessy, Uhle, and Miller while the likely line candidates are Brittenham, McLaughlin, Verbus, Whitcomb, Kelly, Squires, Meagher, Mains, Carpenter and Colby.

### FORMER STUDENTS ARE FOND PARENTS

A son, Robert Eugene, was born to Mr. and Mrs. Robert E. Carson on July 8 last. Mrs. Carson was formerly Miss Alice Peppard ex '25. She was majoring in physical education. Mr. Carson, who was a vocational student, would have graduated with the class of '24.

Carson was an ex-service man, having lost his left leg while in action with the First division during the last war. He is a member of Alpha Kappa Psi, national business fraternity, and of Phi Sigma Kappa.

At present Mr. and Mrs. Carson are residing at Alberton, where Mr. Carson is teaching school.

### BRIETENSTEIN IS GUEST AT FRATERNITY DINNER

Bill Brietenstein '15, and his string of racers were entertained at the Sigma Phi Epsilon house last Friday at dinner.

Those who attended the dinner were: Mrs. Clancy and Mrs. Nichols, the Misses Betty Prentiss, Dorothy Wright, and Marjorie Brietenstein; Messrs. Brietenstein, Clancy, Nichols, DeSchaak, Deveraux, Nelson, Adams, Ketcham, and members of the fraternity.

Mrs. Mosiar spent Sunday with her daughter, Miss Marian Mosiar.

Watch for Billy Stiff!

## On the Campus

Genevieve Heaney ex '25, is attending the University of Washington at Seattle. Genevieve was a major in Journalism while attending this University.

Charles A. Vincent, ex '23, who has been working for the past year and a half for the Cattle Drug company of Billings, has returned to school to complete his course in the Pharmacy school.

Miss Gerald Ryan, who has been visiting at the Kappa Kappa Gamma house the past week, returned to her home in Great Falls yesterday. "Jerry" expects to return to the University the winter quarter to resume her studies.

Elizabeth Shammel, who was ill in St. Patrick's hospital during the past week, has recovered and returned to North hall.

Mr. Anderson and Ella Anderson of Kalispell, father and sister of Carrie Anderson, visited here over Saturday. Ruth Bryson, Katherine Donohue and Florence Dixon Leach were dinner guests at North hall during the past week.

Letha Williamson, Ph. G. '23, of Deer Lodge, is now working for the Public Drug company, of Great Falls.

Mr. and Mrs. Percy Dodds of Helena spent Saturday at North hall visiting their daughter, Alice. They were accompanied by Ellen Knutson, also of Helena. The Dodds and Miss Knutson were dinner guests at the hall Saturday.

Ruth Bailey spent the week-end with her parents in Corvallis.

Irene Murphy and Eunice Boyles spent the week-end at their homes in Anaconda.

Amelia Danish, Ph. G. '22, of Deer Lodge, is working for the Fuller Drug company of Anaconda.

Esther Cummings is confined to the sick room at Craig hall for a few days. Mrs. Whipple of Columbus is visiting her daughter Thelma at Craig hall.

Craig hall had a "get acquainted" fireside for the girls living there Friday evening. Dancing was enjoyed, and songs were sung. Light refreshments were served.

Mr. and Mrs. Claude Metcalf were visitors of John Wills at South hall on Thursday.

Floyd St. John of Stevensville, Ph. G. '24, visited the Pharmacy school last week. He is now running the Stevensville drug store.

A cheer rally was held at South hall last Friday night to teach the Frosh the Varsity yell. Nelson and Fritz took charge and succeeded in putting a lot of pep into the meeting.

Aubrey Houston, a freshman at South hall, has put in a line of candy, gum and cigarettes. Room number 227 has become a rendezvous for those who are in want of a bite or a smoke.

Cubs Daylin, '22, has been head coach at Billings high school for the past two years. Last year Cubs' team ran away with the state football championship.

E. R. O'Neil, '23, is employed by the Lindsay Missoula company as head salesman, with headquarters in Missoula.

L. D. Lambert, '24, is managing his father's ranch at Surrey, N. D.

Earl Dismeyer, '21, graduate in forestry, is district manager for the Central Life Insurance company, with headquarters in Missoula.

E. C. Prestor, '18, is city attorney at Whitefish, Montana.

Genevieve Heaney, ex '26, is attending the University of Washington.

Helen M. Peterson, ex '27, has accepted a position with the George Spillum company in Butte.

Edith B. Hamilton, '23, is teaching school at Columbia Falls, Montana.

Ruth D. Charles, '23, graduate in history, is teaching in the Butte high school.

Inga Hoem, '22, is physical instructor for girls in the Butte high school.

Hilda Benson, '22, Butte, is instructor of mathematics in the Butte high school.

Esther Elderkin, ex '24, has secured a position as mathematics instructor in the Butte high school.

Gordon Reynolds (Doc), '24, is principal of the high school in Augusta this year.

Three Montana alumni, Bill Aho, Click Davies and Bill Cogswell, who

are in Honolulu, have started a "Montana club." They have a house on the beach and Mrs. Davies has taken over the duty of house mother.

Mrs. Dawson, formerly Ernestine Latham, ex '27, is stenographer at the Missoula Chamber of Commerce.

Don Stevens, ex '22, is reporting on the Montana Record-Herald.

John Moriarity, last year's editor of the Kaimin, is working on the Anaconda Standard.

Robert (Boob) Fredericks is reporting on the Montana Record-Herald in Helena.

Harry Adams, former Varsity quarterback and last year's freshman coach, is coaching at the De Paul school in Chicago.

Ann Wilson, '20, is teaching in the Havre high school this year.

Ronald Kain is working on the Butte Miner.

SEARGANT M. KIRKWOOD ASSIGNED TO UNIVERSITY

Sergeant Kirkwood, an instructor in the Military Science department for the past year, has been transferred to the department of detached enlisted men and has been assigned permanently to the unit at the University. Before receiving the transfer he was a sergeant in the regular United States army and was here only temporarily.

## Sport Sparks

Gonzaga brings a strong gridiron aggregation to Missoula November 1 with such stars as Houston Stockton, halfback and captain; Peggy Hutton, Flasher, Cyre, and Ingram. Remember the Gonzaga game last year? The score was 25 to 2, but it was no indication of the fight and closeness of the contest. Gonzaga could not penetrate the Grizzly line and was forced to resort to an aerial attack in desperation before they could tow the contest away.

Stockton was easily the star of the game, while Ted Illman, despite a costly fumble, clearly outshone all Montana players. Ted hit the line time after time for long and short gains throughout the game. He could always be depended upon for yardage.

Montana was in the fight all the way in that game despite the score, which seems fairly large, and this year with an improved team the Grizzlies stand an even better chance to hand the Bulldogs a trimming.

Ralph Christie, two-letter man in football, who graduated from the University last year, is coaching Hamilton high school this year. He succeeds Lloyd Madsen '22, who now has a position as Boy Scout commissioner at Anaconda.

Eight football games for the Grizzlies, four of which will be played here—a rare football menu for gridiron followers. This includes three conference contests on Dornblaser field: Idaho, October 11; Gonzaga, November 1, and Pacific university November 8. The other games are with Washington at Seattle October 18, School of Mines at Butte October 25, and Stanford at Palo Alto November 18.

John F. (Biscuits) Driscoll, two-letter man in baseball and captain of last year's Varsity, is visiting with his folks in Spokane. "Biscuits" played with the A. C. M. club in the Butte Mines league last year.

O. K. Place, fleshy and brilliant halfback on last year's championship Cub eleven, is attending the University of Wyoming at Laramie this fall. Wyoming has one of the old Northwest conference coaches this year in Lone Star Dietz, former Washington State college mentor. Washington State had one of the strongest teams in the northwest under the guidance of the picturesque Indian, of whom many picturesque stories have been told. It used to be a common tale that Lone Star had the habit of directing his team in the most immaculate attire. Clad in a neatly-pressed dark business suit, high derby hat, and the neatest spats, the famous Indian was wont to direct his team on the field with his gold-tipped cane. But he won football games, and that's what counts, regardless of attire. Even if he donned "soup and fish" for the field it would be easy to forgive a winning coach.

Sam Kain, former Helena high school star, looks like the best man to do the pointing for the Grizzly Cubs. In practice he averages 40 yards consistently.

Miss Elsie Kerlan, chief nurse of the ambulatory office of the United States Veterans' Bureau at Helena, will be at the University Thursday and Friday.

All known trainees who are not in the heat of health are requested to see Miss Kerlan at the office of the co-ordinator, Mr. Swift.

Carl Shoen, a former student at the University, is the assistant director of the Lawyers' club at Ann Arbor, Michigan.

Mrs. Whittle has been visiting her daughter, Miss Thelma Whipple, over the week-end.

NOTICE

Sanborns, juniors and seniors are asked to try out for "Fashion," the first Motion picture production of the year. Tryouts are being held in Main hall auditorium every night this week at 7:30.
